Junior Cycle

As an incoming 1st year student in 2023 - 2024, your son/daughter will study the new Junior Cycle. Please see information attached on the new Junior Cycle.

Junior Cycle Information for Parents of Post-Primary Students

CBAs will be undertaken during a defined time period within normal class contact time and to a national timetable. Students will complete one CBA in second year and one in third year in most subjects. CBAs will be reported on in the JCRA using the following descriptors:

- Exceptional
- Above Expectations
- Meets Expectations
- Yet to Meet Expectations

Once the second Classroom-Based Assessment (CBA) is completed, students in third year will complete a written assessment task on their own. They have earned and the written assessment task on that they have earned and the written assessment. This task, set by the National Council for Curriculum and Assessment (NCCA), is undertaken during normal class time and will be sent to the State Examinations Commission (SEC) for marking. This Assessment Task will account for 10% of the overall mark for the final examination. Specific arrangements are made for Visual Art, Music, Home Economics and the technology subjects. At the end of third year, students will sit the final SEC examination in June, which will account for 90% of the SEC grade.

Short Courses

Schools may offer short courses on their junior cycle programme. A short course is designed for approximately 100 hours of student engagement across two or three years of the junior cycle. Short courses have been made available by the NCCA in Coding, Chinese Language and Culture, Digital Media Literacy, Artistic Performance, Philosophy, Civic, Social and Political Education, Physical Education and Social Personal and Health Education. Schools may also develop their own short courses to meet their students' needs.

Other Areas of Learning

Students will have the opportunity to engage with a range of extra-curricular activities, such as membership of the school student council or school clubs and societies, participation in school sporting activities.

Reporting in Junior Cycle

A new reporting structure at junior cycle will contribute to the overall reporting experience for students. It will support and underpin ongoing learning and assessment.

Schools will regularly:

- Provide information to parents about their child's progress
- Support students in their learning by suggesting next steps and providing feedback to help students' self-evaluation

The reporting process at junior cycle will culminate in the first time in Autumn 2017.

Student Wellbeing

Your child's wellbeing is of central importance to his/her educational success and overall happiness. Wellbeing will become a core part of your child's junior cycle experience. This area of learning includes, amongst others, Physical Education (PE), Civic, Social and Political Education (CSPE), Health Education (HE), Personal, Social, Health and Education (PSHE), Relationship and Sexuality Education (RSE) and Guidance.

Level 2 Learning Programmes

There is a new junior cycle pathway for students with particular special educational needs called Level 2 Learning Programmes (L2LPs).

These are being successfully implemented in special schools and are available for some students in mainstream post-primary schools also. Students completing this programme will have their results reported on the JCRA.

Level 1 Learning Programmes (L1LPs)

A Level 1 Learning Programme was launched in May 2018

An official Statement to All Parents
Junior CYCLE
 for teachers

Junior Cycle: A broad education for your child

The Junior Cycle will place the student at the centre of the learning process. It allows for new ways of learning and a broader range of skills to be properly assessed. This leaflet aims to inform parents of post-primary school students about the key changes underway.

Principles, Key Skills and Statements of Learning

Underpinning the new junior cycle are a set of principles, key skills and statements of learning. These will ensure that your child receives a rich educational experience that has both breadth and depth. Your child will have access to a varied curriculum of knowledge, understandings, skills and values.

Eight principles underpin the framework for Junior Cycle. These inform the planning for, as well as the development and implementation of, junior cycle programmes in all schools. The eight principles of Junior Cycle are:-

- Learning to Learn
- Choice and Flexibility
- Quality
- Creativity and Innovation
- Engagement and Participation
- Continuity and Development
- Inclusive Education
- Wellbeing

Eight key skills permeate across the entire curriculum

Through engaging with the key skills students will:

- be more actively engaged with learning
- take greater ownership of their learning
- have a critical engagement with digital technology
- be encouraged to problem solve and think critically and creatively

The twenty-four statements of learning describe what your child should know, understand and value having participated in junior cycle. Schools will ensure that all statements of learning feature in the programme offered to their junior cycle students.

A student entering First year will experience all Junior Cycle subjects through their new specifications

How student achievement at Junior Cycle will be assessed

The most significant change in the new Junior Cycle is in the area of assessment. A dual approach to assessment, involving classroom-based assessment across the three years and a final externally-assessed, state-certified examination can enable the appropriate balance between preparing students for examinations and facilitating creative thinking, engaged learning and better outcomes for students. From Autumn 2017, junior cycle students will receive a new Junior Cycle Profile of Achievement (JCPA). The JCPA will reflect a much wider range of your child's achievements over the three years of junior cycle. The JCPA will report on a number of areas, including:-

1. Subjects (State Examination and Assessment Task)
2. Classroom Based Assessments
3. Short courses
4. Other Areas of Learning
5. The Wellbeing Programme

Subjects

Schools will be able to choose from a total of 21 different subjects for inclusion on their junior cycle programme. All subjects are being revised and each one will have its own specification replacing what was previously known as a syllabus. Each specification describes the learning that takes place as part of the student's study of a subject in junior cycle. By 2019 all new subject specifications will have been introduced. Students can study a maximum of 10 subjects for the JCPA, and if their school offers short courses they can study 9 subjects plus 2 short courses or 8 subjects plus 4 short courses for certification purposes.

The state examination that students sit in their subject at the end of their junior cycle will also be graded differently. Instead of A, B, C, D, E, F and NC the following descriptors will now be used:

Distinction	90	to	100%
Higher Merit	75	to	89%
Merit	55	to	74%
Achieved	40	to	54%
Partially Achieved	20	to	39%
(not graded)	0	to	19%

Classroom Based Assessments

Classroom Based Assessments (CBAs) provide students with opportunities to demonstrate their learning and skills in ways not possible in a pen and paper examination, for example, their verbal communication and investigation skills. CBAs will be undertaken in subjects and short courses and will be facilitated by the classroom teacher.

Wellbeing is a very important part of the new Junior Cycle. Over the course of study your son/daughter will have the opportunity to engage with 400 hours of wellbeing information and subjects. The following are the wellbeing indicators:

Nagle Community College is heavily committed to the well-being of students, staff and parents.

All students at Junior Cycle benefit from the provision of 400 hours of well-being built in to the curriculum.

Students obtain this through the provision of CSPE, SPHE, PE, Guidance, Digital Literacy, Positive Mental Health Initiatives, extra-curricular activities and other learning experiences.

Nagle Community College strongly promotes the well-being indicators and they feature very much in the daily life of the school.

Junior Cycle Well-Being Indicators

School Uniform Information 2023

All students must wear full school uniform each and every day, without exceptions.

If a student, for any exceptional reason, does not have full uniform on rare occasions, they must bring a note explaining the reason.

If a student is not in full uniform and does not have a note, he/she will be asked to go home before coming in to school, and will be asked to return in full uniform.

Consider having extra uniform options (pants, shirts) to allow for washing where necessary.

Uniform policy will be strictly enforced from the first day of term.

PE Arrangements:

Students can bring their own PE/Gym gear to school in a gear bag on days that they have PE. Students must change in and out of PE clothes during PE classes in the sports hall changing rooms. Students are not allowed to wear PE clothes in school before or after PE classes. This rule will be strictly enforced without exceptions.

Uniform

The School Shirt (Pale Blue) Trousers (Navy) or Skirt (Navy, *Knee-Length*, worn with navy or black tights) can be bought in any department store.

The **School Jumper** and **School Tie** are available to purchase from Cahill's Uniform Shop, details below.

Black shoes or all black runners can be worn; the black runners must be completely black with no other colour.

Jackets / Hoodies can be worn on the way to and from school, hoodies are not permitted inside the school and must remain in student lockers.

Students in 2nd and 3rd year may also wear their school tops instead of a school jumper. School shirts and ties must be worn inside the school top where applicable.

Cahill's Uniform Shop (School Jumper and School Tie)

Cahill's can be contacted on: 085-2412107 or info@cahillsschoolwear.ie

Orders can be placed online at: www.cahillsschoolwear.ie

Requirements for the School Year 2023 -2024

Junior and Senior Cycle Requirements

Each student will be required to have the following classroom materials*:

- Sharp ELW531 Write View Calculator
- Geometry Set
- HB, 2B, 4B Pencils & Erasers (if doing art)
- A selection of Hardback Copies (**Junior & Senior Cycle**)
- A selection of standard Copy Books
- P.E. Gear and Changing Bag (Note: Students are **not** permitted to wear PE clothes to school. Students must change in PE hall during PE classes)

*Individual subject teachers may require additional materials and resources from time to time, notice of these will be communicated to parents well in advance.

NOTE:

1. Each pupil must have:
 - A good, sturdy school bag. Students must bring their bags to and from school everyday and must **not** leave them in their locker.
 - A ring binder for notes, handouts etc.
 - Set of colouring pencils
 - *A good supply of pens, pencils, eraser, ruler and a pencil case are essential.*
2. Whenever possible, books, notebooks, etc. should be appropriately covered.
3. Pupil's names should be on all books, equipment, uniform etc.
4. **Textbooks will be given to students through our Book Rental Scheme. This is covered by the Student Activity Fee and it is important that this fee is paid in advance of students being issued with their books. Parents and students are reminded that all books are to be covered and returned at the end of the school year. Books must be kept in good condition throughout the year – if a book is misplaced or lost it will have to be replaced by the student.**
5. **Way2Pay** is the primary communication method with parents/guardians. Regular updates will be sent via text message, please ensure your contact details are up to date. Payments for specific activities will also be requested through the Way2Pay app, if you require assistance please contact the school on 021-4358633.

Attendance

Under the Education Welfare Act 2000 Parents are obliged to send their child to school on every school day. If a child is unable to attend school on a particular day the parent is asked to contact the office to explain the reason for this absence. When the student returns to the school he/she **must have a note for this absence in their journal signed by a parent.**

The school is obliged to report to the Education Welfare Officer if a child's absences add up to 20 days or more in a school year. Referrals on absenteeism above 20 days may be referred to the Educational Welfare Officer. **Parents are reminded not to arrange holidays during the school term.**

Punctuality

It is expected that all students are on time each morning and afternoon. Students need to be in their assembly areas at 8.45am each morning. Punctuality will be monitored closely. **Students who are late may be kept back either at lunchtime or afterschool of the same day, for detention. Notice of this detention will not be given to students/parents. Any student who has a genuine reason for being late, please phone the school office on 021-458633 to let us know or provide a note to explain the reason. Punctuality policy will be strictly enforced next year, without exceptions.**

School Rules

A full list of School Rules and the Code of Behaviour are available in every student's School Journal. Parents and students will be asked to sign these when students return to school.

School Activities / Photographs

Over the course of your child's education in Nagle Community College your son or daughter will partake in many exciting and varied programmes. We would appreciate the opportunity to publish these images in our promotional media and literature and on our school website and Facebook / Instagram Pages. If you **do not** wish your child to be included in such photographs, please contact the school **as soon as possible** on 021-4358633.

School Policies

A list of school policies are available on the school website, including the Child Safeguarding Statement and Risk Assessment, Anti-Bullying Policy, Critical Incident Management Plan and other essential policies are available for your consideration. These policies were recently reviewed in May 2023. Please visit www.naglecc.ie for further information.

Social Media – Facebook Page

Please follow the Nagle Community College Facebook Page for regular updates and information on all school activities. Available on:

<https://www.facebook.com/naglecommunitycollege>

Regular updates and further information in relation to back to school (August 2023) will be available on our school website: www.naglecc.ie

STUDENT ACTIVITY FEES

For the academic year 2023 / 2024 the Student Activity Fee is €200 for an individual student/ €300 for a family. This fee includes:

- All School Books
- Student Journal
- Lockers and Locks
- Class Materials
- Personal Accident Insurance
- Photocopying and Printing
- Supplemented Bus Costs.
- Guest Speakers & Seminars
- Extra-Curricular Activities Resources
- After School Study and Homework Club

Payment of the student activity fee is essential to allow students to participate in all school activities. Non-payment of the full fee will result in your child not being insured and unable to fully participate in school events. If you have difficulty paying the student activity fee, please contact the principal to organise a personal payment plan.

Students' participation in extra-curricular and co-curricular activities such as matches, fieldtrips, tours etc. is dependent on positive behaviour in school. Students presenting with serious discipline issues will not be allowed participate in school activities.

All payments ***must be made online*** – we cannot accept cash payments this year. If you have any difficulty with this, please contact the school office.
